

This photograph shows an archaeological excavation of a pit or trench. The pit is lined with large, flat, greyish stones. The interior of the pit is filled with a dark, silty material. A small, light-colored object, possibly a bone or a small stone, is visible near the top center of the pit. A black label with white text is placed on the left side of the pit. The label contains the following text: "CPQ-88", "C.B.", "SOMER", "R1-5.3", "EDINBUR", and "UNIVERSITY".
